SPECIAL EDITION: LIBERTY PHOTO ALBUM - 2009, SO FAR...

Hello friends! It's been a busy year so far. It's been awhile since we've shown you pictures in the newsletter so this issue, I'm breaking them out. Of course I'll provide some captions to let you know what's going on. After all, things always seem a little different from my perspective!

Here we are singing at Fresno Fan Festival the end of April. Now, look closely...any sign of me??? Ah, there I am...way in the back! So small...almost insignificant! You wait and see, they will be putting me backstage soon. Ha!

This year, we took two buses to the Fan Festival. Here's a shot of the crew in one of them. by the way, if you went along on this trip, you know what I'm saying when I say what a great time we had!

Yes! We have managed to get Dan texting! Think about it, he's...ah...a little more "seasoned" than some of the rest of us on the bus, but look at him go!

Dr. David Jeremiah spoke at one of the afternoon sessions. Keith catches him for a photo op.

Some of our friends at Fresno. Left to right: Wanda & Carl Graffenberger, Dot Veltkamp, Bill & Audrey Gilbert (Dan's parents)

I was honored to participate in the piano showcase/sing-a-long this year. Left to right: Roy Webb (previous pianist for Signature Sound), Jeff Stice (pianist for Triumphant Quartet), yours truly, Connie and Claude Hopper.

At the same event, Royce sang a solo accompanied by Gerald Wolfe and Ben Speer looked on in the background. Might I say, Royce is one incredible vocalist! Can I have my paycheck now, Royce?

The neat thing about Royce's parents coming out to our concerts is, we get to have Eugene sing along with us on "Farther Along." If the crowd is a little...well, dead, this is the best way to get them awake and on their feet! They love hearing him sing and we do, too. In fact, perhaps we should clear out that other bunk on the bus!

Keith would REALLY like to sell you a DVD! Please, someone buy something!

On their way home from Fresno, Greater Vision stopped to do their first concert in the Treasure Valley in 4 years. At the end of the night, we joined them on stage for "Beulah Land," "The Lighthouse," "I've Gotta Love," and "Champion of Love."

Suffering for Jesus in Hawaii. YES - our wives were there too! We had an incredible time as a group with the Graffenbergers! Even little Cole Waggoner got into the island spirit.

New territory, new friends, great concerts, great food.... what more can you ask for? We did our first weekend ever in Ontario, Canada. Here's a picture of some of the great folks we hung out with. The gentleman in the middle is the Mayor of Niagara Falls. He and his wife attended our matinee concert and then he met us at Niagara Falls around midnight and let us change the colors of the lights on the Falls. Let me tell you, those waters never had so many colors in such a short time as they did when Liberty showed up!

Jordan and Keith pose with some of these new friends I'm talking about. Tony and Rob were quite a duo!

It's new project time! We have been working on a new CD. It's called "The Journey" and has been in the works for quite a while. I flew back to North Carolina while the soundtracks were being made and our vocal producer, Phil Cross, came out to Boise to make us sound good. This is the first project on which Jordan joins us. You're going to be impressed with his vocal talent when you hear this project. He did a great job falling right into that baritone part. I still think he's pitchy - just kidding.

Well, I hope you have enjoyed some pictures of what we've been up to. Life is never dull on the road! By the way...smile - you never know when you might show up in the newsletter!

We had time Monday before flying home to visit Niagara Falls in the daylight. The Mayor also treated us to a free ride on the famous "Maid of the Mist." Okay, it was more like getting a shower than just a misting!

Dan has a new illness that's quite disconcerting! He has photographicitis. In other words, he tries to get in every picture that's taken. Here I am in a dignified pose and - crash - in steps Dan.

The Booth Brothers came to Nampa and pulled us up to sing "I'll Fly Away." Wow, what an event that was! This was a great evening of singing and worship. If you ever get the chance to see them, don't miss it! Keith's son, Trey was able to get a pose with the Booth Brothers. Trey said that his favorite group was Liberty and then the Booth Brothers! Yeehaw - we're training them right!

NOTES FROM ROYCE

GIVE THE LORD PRAISE!

In spite of circumstances, we are to give the Lord praise. I implore each and every person to submit to God the praise He is due, just like David did in I Chronicles 29 after the Israelites gave so willingly to the building of the temple. This gives us direction as to what to praise God for; "Blessed art Thou... forever and ever." "Thine is the greatness", "the power", "the glory", "the victory", "the majesty", "the dominion", "head over all", "the might", "riches and honor come from Thee". "We thank Thee", and "praise Thy glorious name."

In addition, the Psalms are full of examples of giving praise to God. In these days as the temple is being rebuilt, God requires each of us to give willingly. By all means, let us give Him praise!
