Amazed at the Change

I'm amazed at the change overwhelmed at His power to save
Overcome by a love that stays so amazed at the change
If you could see the man I was then you'd believe in a saving touch
That could reach down to where I was you'd be amazed at the change
Saul was a walkin' travelin' down a dusty road
Toward Demascus, carrying a heavy load
God broke through the darkness
Shown His love with a heavenly light
Saul said I never felt this way, I'm amazed at the change
I'm amazed at the change overwhelmed at His power to save
Overcome by a love that stays so amazed at the change
If you could see the man I was then you'd believe in a saving touch
That could reach down to where I was you'd be amazed at the change
I was a sinner livin' without hope at all Until the Savior listened and He heard my call
Changed me forever, now the old man is past away
No matter how long it's been I'm still amazed.
I'm amazed at the change overwhelmed at His power to save
Overcome by a love that stays so amazed at the change
If you could see the man I was then you'd believe in a saving touch
That could reach down to where I was you'd be amazed at the change
I'm amazed at the change overwhelmed at His power to save
Overcome by a love that stays so amazed at the change
If you could see the man I was then you'd believe in a saving touch
That could reach down to where I was you'd be amazed at the change

That could reach down to where I was you'd be amazed at the change
Oh, I'm amazed at the change.

How Great Thou Art

O Lord my God, when I in awesome wonder
Consider all the worlds Thy hands have made
I see the stars, I hear the rolling thunder
Thy power throughout the universe displayed
Then sings my soul, my Savior God to Thee
How great Thou art, How great Thou art
Then sings my soul, my savior God to Thee
How great Thou art, How great Thou art
When Christ shall come with shout of acclamation
And take me home, what joy shall fill my heart
Then I shall bow in humble adoration
And there proclaim, my God how great Thou art.
Then sings my soul, my Savior God to Thee
How great Thou art, How great Thou art

I Need a Fresh Drink

I'm walkin' on a dry and dusty road
Far from home and everything I know
It's about time I went back where I belong
Where God's spirit first took control
Bubblin' over fillin' my soul
The water I need is waitin' for me like I've never been gone.
I've gotta go back to the Heavenly Father,
Gotta go back to the Living Water
Gonna go down to the River of Life where my soul can dwell
There's only one who can fill my cup
There's no way I'll ever give up,
I need a fresh drink, from a good ole Well
I feel just like the prodigal son,
Homesick and sorry for the things he'd done
He longed to back to the place where the showers of blessing fell
I'm turnin' around on the dusty old road
I'm gonna start runnin' till I reach my home
I need a fresh drink from a good ole Well

Love Medley

Oh, how I love Jesus,
Oh, how I love Jesus,
Oh, how I love Jesus,
Because He first loved me
There is a name I love to hear,
I love to sing it's worth
It sounds like music in my ear
The sweetest name on earth.
Oh, how I love Jesus,
Oh, how I love Jesus,
Oh, how I love Jesus,
Because He first loved me
Oh, how He loves you and me
Oh, how He loves you and me
He gave His life, what more could He give.
Oh, how He loves you,
Oh, how He loves me,
Oh, how He loves you and me.
Oh, how I love Jesus
Because He first loved me.

But For a Cross

All that I am, all I will be. I owe it all to Calvary
There on a hill, there in my place
My pardon was purchased, my guilt was erased.
But for a cross, but for a thorny crown
I would be lost, no hope of being found
I could not pay redemption's cost
Where would I be today, but for a cross.
Still stained with blood it stands today
And cries, "Forgive them, atonement made."
All who are bound, can be let go free
For mercy still flows down that old rugged tree
But for a cross, but for a thorny crown
I would be lost, no hope of being found
I could not pay redemption's cost
Where would I be today, but for a cross.
One day I'll stand on heaven's shore
Praising the Lamb I've long adored
In one mighty voice, that heavenly throng
Will gather around Him and join in the song
But for a cross, but for a thorny crown

I would be lost, no hope of being found
I could not pay redemption's cost
Where would I be today, but for a cross.
I could not pay redemption's cost
Where would I be today –
But for a cross!
But for a cross!

Based Upon the Word

I don't have to wonder if the Lord has saved me
There is no doubt that I have been set free
When I humbly pray the prayer that sealed my
pardon
My freedom came with a written guarantee
Based upon the Word I am forgiven
I've been redeemed by the blood of the Lamb
and sanctified
Every promise is a truth that He has given
Based upon the Word I testify
There will always be sceptics and doubters
Who will question us, how we really know
But my faith is firmly found in those pages
I'm free indeed, Cuz the Bible tells me so.
Based upon the Word I am forgiven
I've been redeemed by the blood of the Lamb
and sanctified
Every promise is a truth that He has given
Based upon the Word I testify
Based upon the Word, Based upon the Word,
Based upon the Word I testify.

There is a River

Chorus:
There is a river and it flows from deep within
There is a fountain that frees the soul from sin
Come to this water, There is a vast supply
There is river that never shall run dry
Verse:
And there was a thirsty woman
She was drawing from the well
See her life was ruined and wasted
And her soul was bound for hell
O but then she met the master
And He told her of her sin

And He said if you'll drink this water
You'll never thirst again
Chorus:
There is a river and it flows from deep within
There is a fountain that frees the soul from sin
O come to this water there is a vast supply
There is a river that never shall run dry

Peace Like a River

The sun is sinking slowly in the west
I'm rockin' on the front porch
Counting all the ways I'm blessed
The summer wind is stirring through the
dogwood trees
I close my eyes and thank the Lord for peace
I've got peace like a river
Flowin' free from the Father's throne
I've got joy, joy like a fountain
I've got peace like a river in my soul
Many fortunes have been lost to find
You don't need a nickel to enjoy some peace of
mind
It passes understanding, it still confounds the
wise
It comes to those who come just like a child
I've got peace like a river
Flowin' free from the Father's throne
And I've got joy, joy like a fountain
I've got peace like a river in my soul
I've got peace like a river
Flowin' free from the Father's throne
And I've got joy, joy like a fountain
I've got peace like a river in my soul
I've got peace like a river in my soul
Peace, peace like a river

One Holy Lamb

Atonement day the Shepherd cries another
spotless lamb must die
Oh how could just one sacrifice, our God
Jehovah satisfy
Year after year the blood would flow, but none
could wash them white as snow

Salvations day fulfilled the plan, the promise
came One Holy Lamb
One Holy Lamb washed my sin away
One sacrifice paid the price I could not pay
One Holy Lamb, One Great I Am
One Seed of Abraham
One Holy Lamb washed my sin away
Atonement day the Father cries the spotless
Son of God must die
One final death for every man, one blood one
life One Holy Lamb
One Holy Lamb washed my sin away
One sacrifice paid the price I could not pay
One Holy Lamb, One Great I Am
One Seed of Abraham . . .
One Holy Lamb washed my sin away
One sacrifice paid the price I could not pay
One Holy Lamb, One Great I Am
One Seed of Abraham
One Holy Lamb washed my sin away
One Holy Lamb washed my sin away
One Holy Lamb

Thank You Now

Before this trial is finally past
Before the fear is gone
Before this pain subsides at last
And once again I'm strong
Thank you now for the mercy that I know will
see me through
Thank you now for the grace that can only come
from you
Though I can't see the reason why or
understand just how
Lord, I know you're faithful so thank you now
Lord, so many times You've proved
Just how good You are to me
So, before this mountain moves
My song to You will be
Thank you now for the mercy that I know will
see me through
Thank you now for the grace that can only come
from you
Though I can't see the reason why or
understand just how
Lord, I know you're faithful so thank you now

Though I can't see the reason why or
understand just how
Lord, I know you're faithful so thank you now
Thank you now.

He's My Lighthouse

Often times I get discouraged and I think that
no one cares
It's hard to find somebody, just to sit down to
talk and share
About the things that God has promised and the
things that He will be
In this song that I am singing, this is what He
means to me.
He's my lighthouse
He's my bridge over troubled waters
He's the Ole' ship of zion
Out on the raging sea
He's my cornerstone
He's the one I'm leanin' on
He's the man who conquered Calvary
He's the rock I'm standin' on
Let us lift our hearts toward heaven, and thank
him for His love
He showed a new beginning, on the wings of a
dove.
He brought us through the dark night
and helped us through our sorrows,
I'm excited in His Spirit, I will sing about His
love.
He's my lighthouse
He's my bridge over troubled waters
He's the Ole' ship of zion
Out on the raging sea
He's my cornerstone
He's the one I'm leanin' on
He's the man who conquered Calvary
He's the rock I'm standin' on

Cornerstone

Jesus is the Cornerstone
Came for sinners to atone
And though rejected by His own
He became the Cornerstone

Jesus is the Cornerstone
When I am by sin oppressed
On this Stone I am at rest
Where the seeds of truth are sown
He remains the Cornerstone
Jesus is the Cornerstone
Rock of Ages cleft for me
Let me hide myself in Thee
Rock of Ages so secure
For all time it shall endure
Until your children reach their home
He shall remain the Cornerstone
Till the breaking of the dawn
Till all footsteps cease to roam
Ever let this truth be known
Jesus is the Cornerstone, Cornerstone
Jesus is, Jesus is the Cornerstone, Cornerstone
Cornerstone.

The Journey

I started my journey with childlike ambition
Nothing I saw could turn me away
Even when threatened by doubt and confusion
Jesus all faithful has led me this way (this way)
The journey is long, but His grace goes the
distance
The way that I walk I don't walk alone
Fear of the untraveled road won't stop me
I have the strength for the journey,
Jesus gives strength for the journey
Soon I'll be raptured away from the trouble
Rejoicing inside that heavenly place
The joy that I have, I found through the struggle
It will be worth every mile of the way
The journey is long, but His grace goes the
distance
The way that I walk I don't walk alone
Fear of the untraveled road won't stop me
I have the strength for the journey,
Jesus gives strength for the journey
He never said that the road would be easy
But all that I need His hand will supply, my God
will supply
The journey is long, but His grace goes the
distance
The way that I walk I don't walk alone

Fear of the untraveled road won't stop me
I have the strength for the journey,
Jesus gives strength for the journey
For the journey, Jesus gives strength for the
journey

Up & Away

I remember the time, I remember the day
My load got lighter and my chains fell away
But another day's coming, and it won't be long
I can't wait to see Jesus coming for me, He's
gonna take me home.
I'm gonna go up, up and away
I'm gonna go ride on a cloud someday
I'll wave goodbye when this life is through
Some glorious day I'll go up and away beyond
the blue
I don't need no plane flying me through the air
Cause where I'm going, it won't get me there
When the trumpet sounds and God calls for me
I'm gonna take to the sky, brother I'm gonna fly
To that heavenly street.
I'm gonna go up, up and away
I'm gonna go ride on a cloud someday
I'll wave goodbye when this life is through
Some glorious day I'll go up and away beyond
the blue
I'm gonna go up, up and away
I'm gonna go ride on a cloud someday
I'll wave goodbye when this life is through
Some glorious day I'll go up and away beyond
the blue
I'll wave goodbye when this life is through
Some glorious day I'll go up and away beyond
the blue
Some glorious day I'll go up and away beyond
the blue
Up and away!
