

# IT'S TIME TO GO!

Doran Ritchey, Rebecca Peck

KEY: D

VS 1

STANDIN' ON THE EDGE OF EVERYTHING THAT YOU KNOW  
WONDERIN' IF THE VOICE CALLING YOU TO GO  
IS FROM JESUS - OR JUST A CRAZY NOTION THAT YOU CAN'T TRUST  
WISHIN' EVERY MOMENT FOR A LINE IN THE SAND  
AFRAID THAT IF YOU JUMP YOU WON'T FIND WHERE TO LAND  
WELL I'VE BEEN THERE TOO  
AND WHEN I ASKED FOR WISDOM THE LORD CAME THROUGH

PC

HE HAS BLESSINGS ON THE WAY  
THEY START WITH LEAPS OF FAITH

CHORUS

HE MIGHT NOT WRITE IT IN THE CLOUDS  
CALL YOUR NAME OUT LOUD  
OR SHOUT IT SO THE WORLD CAN KNOW  
IT MIGHT JUST BE A GENTLE BREEZE - PUTTIN' YOU AT EASE  
WHILE THE SPIRIT BLOWS THROUGH YOUR SOUL  
SURRENDER YOUR CONTROL, AND WATCH HIS PLAN UNFOLD  
WHEN JESUS CALLS YOU OUT, IT'S TIME TO GO

VERSE 2

HE COULD SEND A BURNING BUSH TO MAKE THE WAY CLEAR  
OR LET THE WATERS PART, DROWNING OUT EVERY FEAR  
BUT IT SEEMS THIS TIME - HE'S NOT GONNA SEND YOU THAT KIND OF SIGN  
DON'T GIVE UP BELIEVIN' THAT HE'S LEADING YOU ON  
THROUGH HIS HOLY WORD HE'LL BE KEEPIN' YOU STRONG  
YOU CAN TRUST HIM NOW  
HIS PROMISES ARE GREATER THAN ALL YOUR DOUBTS

PC

THERE ARE BLESSINGS YOU CAN CLAIM  
JUST TAKE THAT LEAP OF FAITH

BRIDGE

IT'S TIME TO GO  
THERE'S A GLORIOUS FUTURE AND A HOPE  
IT'S TIME TO GO  
YOU WILL NEVER WALK ALONE

Song Title: EVERYTHING'S DIFFERENT NOW

VERSE I

I HAD GROWN WEAK AND WEARY  
FROM THE BURDEN OF MY SIN.  
THERE WAS NO STRENGTH WITHIN ME  
TO FIGHT THE BATTLE AND WIN,  
BUT ONE SUPERNATURAL MOMENT  
AT THE FOOT OF CALVARY'S CROSS.  
GOD GAVE MY SOUL THE VICTORY,  
NEVER AGAIN TO BE LOST.

CHORUS

I'M A BRAND NEW CREATION.  
I'VE HAD A TOTAL TRANSFORMATION,  
SINCE THE DAY THAT SWEET SALVATION  
TURNED MY WORLD AROUND.  
FOR THE POWER OF SIN CAN'T HOLD ME  
LOOKIN' BACK, YOU'D NEVER KNOW ME.  
I'M SERVING JESUS ONLY.  
EVERYTHING'S DIFFERENT NOW!

VERSE II

THERE WAS JUST ONE CONSOLATION  
FOR THE PROBLEMS IN MY LIFE  
GOD HAD TO STRONGLY CONVICT ME,  
THAT I NEEDED JESUS CHRIST  
THAT HAPPENED WHEN LEAST EXPECTED  
I REPENTED, AND I MADE THIS VOW  
I'LL FOLLOW WHERE YOU LEAD ME, LORD  
EVERYTHING'S DIFFERENT NOW!

BRIDGE:

WHEN JESUS COMES TO CALL ME  
I'LL BE TRANSFORMED AGAIN  
I'LL HAVE A BODY THAT WILL NEVER DIE,  
AND I'LL BE JUST LIKE HIM, JUST LIKE HIM

## Scars and All

### Verse 1:

I used to think I had to be  
Everything I ought to be  
Before I ever could approach Your throne  
But You have spoken grace to me  
Beyond all my imaginings  
And told me that, right now, I am Your own

### Chorus:

Scars and all  
You take me as I am  
And change me as I stand here in Your love  
You can see  
Beyond my brokenness  
That even at my best  
I'm not enough  
So now before Your feet I humbly fall  
Scars and all

### Verse 2:

I will never comprehend  
How You could look at fallen man  
And choose to give Your life at Calvary  
And how, on Earth, could holiness  
Look down upon my my lowliness  
And see me as a soul to be redeemed

### Bridge:

And Father, if I fail You in the future  
Remind me then of what I know is true  
That nothing in this life can separate me from Your love  
You promised I can always come to You

### Tag:

You love me, you love me, you love me scars and all  
You love me, you love me, you love me scars and all

# **Livin' In the Presence Of Jesus**

(Written about Paul's Mom)

Doran Ritchey

VS 1

Just - a simple country life - on the edge of out of sight  
But she wasn't looking for her name in neon lights  
She - has found a deeper joy - raisin' little girls and boys  
To love each other and to honor all that's right

If there's one thing I think she'd want us all to know  
When it comes to God, there's nothing else that matters more  
She's been...

## **CHORUS**

**Livin' in the presence of Jesus**  
**Livin' in the comfort of being found**  
**Livin' every day in the truth that she's His child**  
**Knowing that He carries her burdens**  
**Knowing that He never forgets His own**  
**Knowing she can journey with Him til she gets home**  
**Keeps her livin', livin' in the presence of Jesus**

VS 2

When - you walk into the room - you may find her on her knees  
Cryin' to the Lord for all her family needs  
How - it hurts her heart when they - choose to go a different way  
'Cause the years have taught peace only comes through grace

She'll never give up hope - she's seen what God can do  
Her faith's in who He is, she knows - she's living proof

She's been...

**(Repeat Chorus)**

# Walk A Little Closer

Doran Ritchey

VS 1

I've been thinking 'bout the current state of things  
How if you take a stand you're labeled in unfriendly ways  
The opposite is easy - you don't have to commit  
No right or wrong, truth or lies - it's all relative  
But the Bible that I'm reading - has something to say  
The road is narrow, Jesus is the Truth the Life the Way  
So I've made my decision until my dying day  
Let's stand upon the Word of God believe it come what may

CH 1

**[Come on, let's walk]**

**Walk a little closer every day with our Lord**

**[Learn to lean]**

**learn to lean harder on the truth of His Word**

**[Take a little time]**

**Take some time to journey with someone else**

**[I think we'll find]**

**Nobody's strong enough to walk by themselves**

**Though Satan brings temptation thinking we're all alone**

**The presence of Jesus will fill us with song**

**Take courage my friends and just keep pressing on**

**[And walk] - Walk a little closer with our Lord**

VS 2

I'm not looking for a reason to debate  
The world has seen too many so called Christians filled with hate  
Opinions never changed a life nor saved a soul that's lost  
The message of the Cross shouts Jesus paid the price for all  
I'm not saying we should compromise or run from the Truth  
But let us share so others feel the love of Christ come through  
It's time to make a difference - live what we proclaim  
So someone needing hope will find that their life can be changed.

# Keep Me Hungry

Doran Ritchey

VS 1

We all know, we've all been there  
Emptied by the chaos deep inside  
Afraid to trust one another  
So we keep it all locked up behind a smile  
When we can't find the words to what we're feeling  
The Spirit answers to our broken cries

**CH**

**Keep me hungry for another wave of glory  
Keep me seeking till I know I've heard from You  
Lord I'm desperate for more than just enough to make it through  
Keep me hungry for a deeper walk with You  
How I hunger for a deeper walk with You**

VS 2

Jesus, loving Savior  
You're the source of all I need in life  
You're my Strength, my Living Water  
I have found You always satisfy  
I've tasted of Your love and know Your mercy  
I'll never be content to just get by

Bridge

I need Thee, O I need Thee - Every hour I need Thee

**CH**

**So I'll stay hungry for another wave of glory  
I'll keep seeking till I know I've heard from You  
Lord I'm desperate for more than just enough to make it through  
Keep me hungry for a deeper walk with You  
How I hunger for the deeper life in You**

# The Beauty Of His Grace

Doran Ritchey

VS 1

Strugglin' and strivin' - barely hanging on  
Am I the only one to ever feel so all alone  
I'm back here where I started not sure of what to do  
It seems I take three steps ahead then slide back four to You

**PC**

**It's true, I need a change in me  
Or could it be there's something I don't see**

**CH 1**

**The beauty of His grace  
The look of love that's on His face  
When He lifts me by the hand out of my sin and shame  
I've never found a place too far gone for His embrace  
In/With gratefulness I give myself away  
To the beauty of His grace**

VS 2

I've not reached perfection - there's more work to do  
The Holy Spirit dwells in me and leads me into truth  
So I'll live in surrender no longer on my own  
I've found a place of sweetness in the presence of His arms

**PC 2**

**Oh its true, there's been a change in me  
I'm living free - since I believe in...**

(Repeat chorus 1)

**Bridge**

**How marvelous! How wonderful!  
And my song shall ever be.... Ever be....**

**CH 2**

**The beauty of His grace  
The look of love that's on His face  
When He lifts you by the hand out of your sin and shame  
You won't find a place too far gone for His embrace  
In gratefulness we give ourselves away  
To the beauty of His grace**

# Sailing Through

Doran Ritchey

VS 1

Sailing through - life in my vessel  
Today skies are azure blue  
No clouds in sight - just clear horizons  
No need to worry from this point of view  
Yesterday the story was different  
Angry waves rolled my way  
But You came along and stilled the tempest  
Reminding me that You're here to stay

**CH**

**So I'll keep sailing through  
Depending on You my Savior  
I'll keep trusting You  
    Your every word is true  
When the strong winds blow  
    and try to overwhelm my soul  
I'll rest in You alone  
    not fearing the unknown  
And sail on through**

VS 2

Now each day the journey is sweeter  
Even when blue skies turn grey  
I will rely on what You have taught me  
Doubt and confusion won't take that away  
True faith believes when it can't see  
Anchors in oceans of grace  
No longer adrift- I'm safe in Your presence  
Sure of my landing/harbor since I have been saved

## **I WANT TO HEAR IT**

### **Verse 1**

If you've been blessed by your Father  
A story of His faithful supply  
Then I want to hear it            Yes I do  
If you've found rest in His favor  
Comfort in the troubles of life  
I want to hear it            Yes I do

### **CHORUS**

I want to hear about God's goodness  
I want to hear about His grace  
I want to hear of healing power  
And how He made a way  
Somebody shout how He's been faithful  
Stand up and tell how He's still able  
I want to hear it (I want to hear it)    Yes I do

### **Verse 2**

If you've been saved, sealed forever  
Traded all your darkness for light  
I want to hear it    Yes I do  
If you've been changed and delivered  
By a mercy that you cannot deny  
I want to hear it    Yes I do

### **Bridge**

Somebody tell it (Somebody tell it)  
I want to hear it (I wanna hear it)  
Somebody tell it (Somebody tell it)  
I want to hear it (I wanna hear it)  
Somebody tell it (Somebody tell it)  
I want to hear it (I wanna hear it)  
Who will be the first to testify....somebody testify

### **Tag**

I want to hear it (I want to hear it)  
Yes I do

# Heaven's Getting Sweeter

Doran Ritchey

VS 1

Pictures full of memories

    some of them hanging on the wall

Others you will never see

    captured in my heart but still they're strong

I never know when tears will come

    when special moments try to steal my song

I know they're in a better place

    and by God's grace they made it safely home

CH

**Heaven's getting sweeter**

**every time a family member makes it home**

**Now at rest with Jesus**

**every earthly care they ever knew is gone**

**Though I miss them dearly**

**I wouldn't wish them back**

**they're right where they belong**

**Heaven's getting sweeter**

**another family members finally made it home**

VS 2

I'm thankful for the years we had

    to journey through the good and bad down here

And when I'm feeling all alone

    Jesus would you let me know you're near

When my sorrows in the way

    of what I know is true help me to see

The next step's all I have to take

    the rest I'll trust with Jesus til I leave

# **THINK ABOUT THERE**

## **Verse 1**

Ever ponder your problems?  
Wonder 'bout worries?  
Consider circumstances  
Growing out of control?  
Do you debate your dilemmas?  
Speculate on the outcomes?  
It can sure weigh heavy on your soul

## **CHORUS**

(But, if you'll think about) no more fears  
In a land where tears are forever wiped away  
If you'll think about going home  
And the joy you'll know  
Seeing Jesus face to face  
Your fear of the future fades when you're sure  
There's a hope beyond compare  
It'll really help you live down here  
Though trouble's coming near  
If you'll think about there

## **Verse 2**

Instead of frettin' 'bout tomorrow  
Focus on the new song  
Rising out of heaven  
And the glory we will share  
Instead of boggin' down in humdrum  
Chart a course for the Kingdom  
It'll do you good to think about there

## **Bridge**

Friend keep looking up. Set your mind on things above..if you'll think about

## WELCOME TO HEAVEN

### Verse 1

Lately I've been yearning for home  
But my heart has already gone  
With each step I take I feel one step away  
From walking through pearly gates  
Soon You'll call announcing my entrance  
And I'll go without a delay  
For I long just to bow in His presence  
And to hear my Redeemer say

### Chorus

Welcome to Heaven my child  
Welcome to Heaven my child  
You have run the race, you have kept the faith  
Welcome to Heaven my child

### Verse 2

Golden streets jasper walls and mansions bright  
Crystal rivers will sparkle in His light  
Heaven's beauties we will share but they'll never compare  
To the moment He welcomes me there  
Glory's angels will all step aside  
When He greets me with His arms open wide  
He'll step down from His throne just for me, for me alone  
Face to face He's gonna welcome me home  
And He'll say...
