

# IT'S ALL ABOUT GRACE (2015)

## I Need a Fresh Drink

*Dianne Wilkinson / Scott Inman / Christian Taylor Music*

### Verse 1

I'm walking a dry a dusty road  
Far from home and everything I know  
It's about time I went on back where I belong  
Where God's spirit first took control  
Bubbling over, filling my soul  
The water I need is waiting for me  
Like I've never been gone

### Chorus

I've gotta go back to the Heavenly Father  
Gotta go back to the Living Water  
Gonna go down to the River of Life  
Where my soul can dwell  
There's only One who can fill my cup  
There's no way I'll ever give up  
I need a fresh drink from a good ol' well

### Verse 2

I feel just like the Prodigal Son  
Homesick and sorry for the things he'd done  
Who longed to go back to the place  
Where the showers of blessing fell  
I'm turning around on a dusty old road  
I'm gonna start running 'til I reach my home  
I need a fresh drink from a good ol' well

## Great Reward

*Ben Storie / Christian Taylor Music*

### Verse 1

He's got his sleeves rolled up  
Sweat pouring off his brow  
It's harvest time and there's so much to do now  
He's sowing and he's reaping  
But he ain't growing rows of corn  
No, he's working hard in the fields of the Lord

### Chorus

He's got a great reward coming

One of these days  
Kneeling on a street of gold  
He'll stand amazed  
And nothing in his wildest dreams  
Compares to what's in store  
He's got a great reward

### Verse 2

We cannot work our way to heaven  
Nobody's good enough  
We serve because of His great love for us  
So while the sun is shining  
Let us labor in the light  
When the day is done and our faith turns to sight

### Chorus 2

We've got a great reward coming  
One of these days  
Kneeling on a street of gold  
We'll stand amazed  
And nothing in his wildest dreams  
Compares to what's in store  
We've got a great reward

### Bridge

Well done  
We just want to hear Him say  
Well done  
When we see Him on that day  
It's enough to know that He is ours and we  
belong to Him  
He's got banquet plans  
He's building mansions for our inheritance

We've got a great reward coming  
Glory to the King  
Just to hold His nail-scarred hands  
Means everything

## It's All About Grace

*Dianne Wilkinson / Rebecca J. Peck / Christian Taylor Music*

### Verse 1

In the garden that God created  
Man's temptation led to sin

The innocent now guilty  
Feared their God and hid from Him  
Perfect justice called for death  
For they had surely disobeyed  
God would sacrifice a sinless Lamb  
To take their place

#### Chorus

It's all about grace  
And His sweet, tender mercy  
Reaching down from heaven  
On the darkest of days  
To a cross where His Son  
Would give His life for even me  
As it was in that garden  
Praise His name  
It's all about grace

#### Verse 2

I was dead, now resurrected  
I was bound, but now I'm free  
Condemned, but now I'm righteous  
That is how the Lord sees me  
And because I've been redeemed  
I will look upon His face  
And sing through all the ages  
It was God's amazing grace

#### Bridge

Grace, grace, God's grace  
Grace that will pardon and cleanse within  
Grace, grace, God's grace  
Grace that is greater than all our sin

### **He Does All Things Well**

*Dianne Wilkinson / Scott Inman / Christian  
Taylor Music / Thomas Peck Music*

#### Chorus

He does all things well  
And my lips will ever tell  
That His love and mercy  
Meet my every need  
Through the sorrow and the pain  
I will follow and proclaim  
He does all things well  
And He's so good to me

#### Verse 1

I have walked many times  
Through the valley of tears  
When my burdens were heavy  
And the way wasn't clear  
But I've found God will keep  
Every promise that He's made  
I can trust in His purpose  
I can rely upon His grace  
I know...

#### Bridge

In dark moments of doubt  
When the questions arise  
I have blessed assurance  
God's still working in my life  
In my life

### **Based Upon the Word**

*Scott Inman / Barbara Huffman / Christian  
Taylor Music / Sunset Gallery Music*

#### Verse 1

I don't have to wonder  
If the Lord has saved me  
There is no doubt  
That I have been set free  
When I humbly prayed the prayer  
That sealed my pardon  
My freedom came with a written guarantee

#### Chorus

Based upon the Word I am forgiven  
I've been redeemed by the blood of the Lamb  
And sanctified  
Every promise is a truth that He has given  
Based upon the Word I testify

#### Verse 2

There will always be skeptics and doubters  
Who will question us  
How we really know  
But my faith is firmly found in those pages  
I'm free indeed 'cause the Bible tells me so

## **Jesus Is Waiting**

*Lee Black / Ben Storie / House of Blacks /  
Universal Music – Brentwood Benson Publishing  
/ Christian Taylor Music*

### Verse 1

The memory is so sweet to me  
I was sitting on my daddy's knee  
He told me all about salvation's plan  
He said: My greatest prayer for you  
Is that you'll believe this timeless truth  
And make the Lord your Savior and your friend  
His love for you is great and full of grace  
And when you choose to take that step of faith

### Chorus

Jesus is waiting  
Waiting for you  
To welcome children home  
Is what He longs to do  
The angels will rejoice  
As heaven is celebrating  
Run to His arms  
Jesus is waiting

### Verse 2

In my father's final days  
As he neared the finish of his race  
I stood beside his bed and held his hand  
It broke my heart to say goodbye  
But there was peace in knowing I  
Would see him one day soon  
In that fair land  
And the words he spoke  
So many years before  
I whispered through my tears  
As he stood at heaven's door

### Bridge

Come home, come home  
Ye who are weary, come home

## **Cornerstone: Our Tribute to Lari Goss**

Jesus is the Cornerstone

Came for sinners to atone  
And though rejected by His own  
He became the Cornerstone  
Jesus is the Cornerstone

When I am by sin oppressed  
On this stone I am at rest  
Where the seeds of truth are sown  
He remains the Cornerstone  
Jesus is the Cornerstone

### Verse 3

Rock of ages, cleft for me  
Let me hide myself in thee  
Rock of ages, so secure  
For all time, it shall endure  
Until your children reach their home  
He shall remain the Cornerstone

### Verse 4

'Til the breaking of the dawn  
'Til all footsteps cease to roam  
Ever let this truth be known:  
Jesus is the Cornerstone

## **Rest in Me My Child**

*Jeff Bumgardner / Joel Lindsey / Dayspring  
Music, LLC / Sunset Gallery Music*

### Verse 1

No one is spared from the pain of this life  
Heartaches will come, we may never know why  
But there's hope in the night  
Shining brighter than day  
It's the voice of the Father  
Can you hear Him say

### Chorus

When the road gets longer  
Than you meant to go  
And the trial is harder  
Than you've ever known  
When the world is cold  
And the storm grows wild  
Rest in me, my child  
Rest in me, my child

Verse 2

Standing before you with arms open wide  
He reaches to show you  
Every reason He died  
His compassion and mercy  
His love never ends  
He's running to tell you  
Again and again

Bridge

I am strength in your weakness  
I am rest for your soul  
You will not be defeated  
For you are never alone

**Come Home to Jesus**

*Ben Storie / Christian Taylor Music*

Verse 1

Have you been homesick all your life  
You're just not sure why  
So you've been wandering lonely roads  
And you're feeling lost tonight  
You've heard about a place called home  
Where grace is freely shared  
The Savior waits if you just believe  
And He will take you there

Chorus

You can come home to Jesus  
No matter where you've been  
He's waiting with arms wide open  
And He wants to pull you in  
Won't you come home, my friend  
To Jesus

Verse 2

Did you try to settle down  
But you didn't stay  
Now you're scared  
That you've gone too far  
And it's just too late

Bridge

The table is set  
The family is gathered here

Jesus is standing beside your empty chair

**Joy in the House**

*Marcia B. Henry / Barbara Huffman / Christian Taylor Music / Sunset Gallery Music*

Verse 1

We stand here together  
Our hearts in one accord  
Celebrating Jesus  
The Holy Risen Lord  
We made up our hearts and minds  
To worship Him right now  
He is moving in this place  
There's joy in the house

Chorus

There's joy in the house  
When the Spirit dwells within  
Oh, there's joy in the house  
When the people worship Him  
There's power, peace, and victory  
Strength and hope for you and me  
Let's exalt Him now  
There's joy in the house

Verse 2

Check your troubles at the door  
And bring your thanks inside  
He has done so much for us  
He must be glorified  
When He hears us sing about Him  
He can't stay away  
Praises rise and blessings fall  
Let's enter in the gates

**'Til Mercy Sang**

*Twila Labar / Pamela Barnett / Universal Music  
– Brentwood Benson Songs / Upright Grand Music / McKim Creek Music*

Verse 1

All of heaven waited  
While the earth anticipated  
The concert of all ages to begin  
The Father's orchestrations  
A plan for our salvation

This masterpiece would save us from our sin  
The curtain rolled back  
The Savior took center stage  
Creation held its breath  
As the music began to play

#### Chorus

'Til mercy sang  
The most beautiful love song  
It echoed from the cross of Calvary  
Forgiveness rang  
With the sound of redemption  
Written in His blood, its melody  
Hope had been silent for so long  
'Til mercy sang  
The most beautiful love song

#### Verse 2

His suffering set the cadence  
For a sacrifice to save us  
The perfect Lamb was sent  
To take our place  
When He cried, "It is finished"  
All the blame of sin diminished  
And He became an instrument of grace  
Then the mountains moved  
Lightning flashed  
The page was turned  
Crescendoing a voice  
That the world has never heard

#### Bridge

The splendor of the solo  
Was in the last refrain  
'Til the Savior opened up His mouth  
There was nothing He would say

### **He Hears a Whisper**

*Lee Black / Ben Storie / Christian Taylor Music*

#### Verse 1

The skies are grey and silent  
Your words are frail and few  
But here you are before the Lord again  
With every tear you cry  
It's all that you can do  
To offer up a feeble prayer to Him

Lift it up, lift it up

#### Chorus

He hears a whisper  
He sees where you are  
He's even nearer  
To a fragile broken heart  
When the One who knows you best  
And loves you most is the Listener  
Take comfort  
He hears a whisper

#### Verse 2

Some days will bring their chaos  
Confusion to your joy  
And try to overcome the peace you know  
But stand your ground and pray on  
You can rest assured  
Every word is reaching heaven's throne  
Above the noise, above the noise
